**T4. INVENTORYING AND EVALUATING YOUR HEALTH ADVOCACY**

Created for the *CanMEDS Teaching and Assessment Tools Guide* by S. Glover Takahashi. Reproduced with permission of the Royal College.

*See Health Advocacy Role teacher tips appendix for this teaching tool*

Completed by: ___________________________

1. Thinking back to your clinical experiences over the past two or three months, and using the table below, estimate the frequency, type, and appropriateness of your health advocacy activities.

<table>
<thead>
<tr>
<th>PURPOSE of your health advocacy</th>
<th>Frequency of this type of health advocacy</th>
<th>Examples of this type of advocacy</th>
<th>Resources used for this type of advocacy</th>
<th>Rate the frequency of your advocacy on a scale of 1–5</th>
<th>Are there barriers to your advocating more often? If yes, how can you manage or overcome them?</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Many times a day</td>
<td>At least daily</td>
<td>Several times a week</td>
<td>Several times a month</td>
<td>Once or twice per month</td>
</tr>
<tr>
<td>To advocate for health care services or resources</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>To advocate for healthy behaviours</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>To incorporate disease prevention, health promotion, or health surveillance into the patient’s care</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
T4. INVENTORYING AND EVALUATING YOUR HEALTH ADVOCACY (continued)

2. In what areas of advocacy with patients are you most skilled?

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

3. In what areas of advocacy with patients are you most comfortable?

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

4. In what areas of advocacy with patients do you require improvement?

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
5. Rate your approach to health advocacy and provide examples using the table below.

<table>
<thead>
<tr>
<th>Key steps to HEALTH ADVOCACY</th>
<th>In general, on a scale of 1–5, how well do you do this step?</th>
<th>Example(s) of when you did this well over the past few months</th>
<th>Example(s) of when you could have been more effective in doing this</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Establish an understanding of the patient’s (or community or population’s) preferences, needs, strengths, and values for health care.</td>
<td>1 Can do better 3 Good enough 5 Strong at this step</td>
<td></td>
<td></td>
</tr>
<tr>
<td>2. Collaborate with the patient, other health care professionals, and/or health promotion organizations.</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>3. Develop the action plan with the patient, other health care professionals, and/or health promotion organizations to help the patient achieve their self-identified goals.</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>4. Implement (i.e. by supporting, following, or on occasion leading, as appropriate) the agreed-to plan.</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>5. Maintain open communication with the patient, other health care professionals, and/or health promotion organizations.</td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
6. Which step(s) of advocacy with patients are you most skilled at?

7. Which step(s) of advocacy with patients are you most comfortable with?

8. How did you balance your patient’s health, preferences, needs, and values with the reality of finite resources and the need to ensure equitable access to health care?

9. How can you improve your skills at balancing health advocacy with a wise management of resources?

10. Do you have other observations or comments about health advocacy?
